**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Schenectady County Capital Resource Corporation  
Schenectady, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Schenectady County Capital Resource Corporation (a non-profit corporation) which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, and the notes to the financial statements, and have issued our report thereon dated February 24, 2022.

**Internal Control Over Financial Reporting**

Management of Schenectady County Capital Resource Corporation is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Schenectady County Capital Resource Corporation's internal control over financial reporting as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Schenectady County Capital Resource Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Schenectady County Capital Resource Corporation's internal control over financial reporting.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Schenectady County Capital Resource Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH  
WITH LAWS AND REGULATIONS RELATED TO INVESTMENT  
GUIDELINES FOR PUBLIC AUTHORITIES**

Board of Directors  
Schenectady County Capital Resource Corporation  
Schenectady, New York

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the Schenectady County Capital Resource Corporation's (the "SCCRC"), which comprise the statement of net position as of December 31, 2021, and the related statements of activities and cash flows for the year ended, and have issued our report thereon dated February 24, 2022.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

In connection with our audit, nothing came to our attention that caused us to believe that the SCCRC failed to comply with the SCCRC's own investment policies as well as applicable laws, regulations, and the State Comptroller's Investment Guidelines. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the SCCRC's noncompliance with the above referenced requirements, insofar as they relate to accounting matters.

This report is intended solely for the information and use of management of SCCRC, the Board of Directors, and the New York State Comptroller and is not intended to be and should not be used by anyone other than those specified parties.
